

Rockport Ordinance Review Committee – Draft

Draft minutes of the 2-19-2021 meeting

In attendance:

Chairman Richard Remsen, Vice Chair and Secretary Robert Hall, Stephen Smith, Taylor Allen, Mandy Marriner Everett

Absent: David Cocky, Select Board Liaison Densie Munger, Orion Thomas, Mark Haley, Will Gartley

1102 – Subsections were added to cover the exceptions to private property only. Typos were corrected.

1104.4- Took “Town of Rockport” out of the language describing the ROW – changed to “Public ROW”. This appears in a couple of places throughout the ordinance.

1104.5 – rework of language – this section covers the area that the town is preparing to build specifically for temporary signs placed at the intersection of Rt. 90 and Rt. 1. The language was re-worked to make it more generalized in case the town creates more of these designated areas. The ordinance will allow the Town Manager to have discretion over placement of Temporary Signs throughout town.

1106 – Illumination criteria moved out of the subsection to the main section.

1111- Gasoline and Diesel Price Signs – The Code Enforcement Officer has stated that these standards are dictated by State and Federal regulations.

End of page 6 – Bob Hall added some language to aide in the future review of this ordinance by the Select Board and Planning Board. The language summarizes the changes made and explains the intent behind those changes. There are some typos that need to be fixed.

There were additional minor changes suggested by Will Gartley via email.

Action: Bob Hall will incorporate the suggested changes and distribute a clean copy of Section 1100 for final review by committee members.

Other business – The minutes from the past two meetings will be approved at the 2/26/2021 meeting.

Next meeting 2/26/2021 at 4:00 PM.

Adjourned at 4:09 PM

Respectfully submitted,

Mandy Marriner Everett
